

Personal Stereo Connector Kit

Model AX-10

1. 2-into-1 plug doubles student participation on computers
2. Three adapter plugs 1/4", 3.5mm stereo, 2.5mm mono
3. 3.5mm stereo plug
4. 8' coiled cord to reach ports located at the rear of computers
5. Right-angle plug connects to computer, even in tight spaces
 - Ideal for computer labs, listening centers and other classroom activities
 - Warranty for school use - unlike computer peripheral products purchased from consumer electronics stores whose warranties could be voided if used in schools

Eliminates the guessing of which connector is needed by supplying all the connectors necessary for multimedia systems in one package.
